

CEDRIC BLAIR WINS TITLE AS OVERALL WINNER AT THE VIC HIGGS MEMORIAL GOLF TOURNAMENT LAST WEEKEND AT THE CONSTANT SPRING GOLF CLUB

The 30th staging of The Heart Foundation of Jamaica's (HFJ) Vic Higgs Memorial Golf Tournament held at the Constant Spring Golf Club last weekend in memory of Vic Higgs was a success! Vic Higgs was a board member of the HFJ who met his untimely death 30 years ago. The exciting fundraiser saw over 65 participants competing for various prizes across 4 categories: ladies, male masters, males super senior and men and men seniors).

The British High Commissioner, Her Excellency Judith Slater came out on top in the female category and the overall winner of the tournament was Mr. Cedric Blair, Founder and Managing Director of the Club House Brewery and Taproom. Mr. Blair stated in his acceptance speech that he would like to thank the HFJ for hosting the tournament; "now that I am the champion for 2023, I will have to work a little harder to ensure that this tournament is not only successful from a participation standpoint but also bringing people out for celebrating and understanding what the Heart Foundation does" he said after receiving his trophy.

Main sponsors for the tournament were the Sports Development Foundation and NISSAN Fidelity Motors. Associate sponsors were Sandals Resorts, Western Sports, CITRAD, GRAB N'GO, Chukka Cove, Bottega Wines, Bella Oasis, Britbrand Fashion, Caymanas Golf Club, Muscle Fiber Technology, Constant Spring Golf, Fontana Pharmacy, Swing Solutions, FESCO Gas Station, Azul Beach Resort, Express Fitness, HiPro and Fosrich Jamaica Limited.

The HFJ provides a mobile screening programme visiting companies, health fairs, churches, and the staff visiting government health centres across the island to offer convenient and discounted mobile screening services to individuals. Services for screening, advanced diagnostic tests and treatment for cardiac and diabetic patients is also available via its clinic days Mondays to Fridays and on two Saturdays each month at 28 Beechwood Avenue, Kingston 5. A pharmaceutical service and nutritional counseling are also available. The HFJ is committed to its mission to promote heart

health in Jamaica and so all are welcomed to call in and set an appointment to be screened or to make the HFJ their main health provider for cardiac and diabetic care.
